

MATRICODE

Matricode is a technical event based on Arduino project competitions conducted team-wise. It is conducted in 3 rounds.

Round 1: Assembling (Assemble the circuit with the components provided. Circuit diagram will be provided)

Round 2: Programming (A program with errors will be provided for each team. Correct it within the time limit.)

Round 3: Show the working of the circuit as per the program.

Rules & Regulation:

- The team should consist of a minimum of 2 members and a maximum of 3 members.
- Each round will complete the team as per the respective time.
- Smartphones, smartwatches, or any other gadgets are not allowed.
- Any cheating will lead to disqualification.
- The Number of rounds may vary according to the registration and number of teams.

Registration fee: Rs 150 (Per Team)

Prize Worth: Rs 2500

Student Coordinators:

Akash Saji- 7736818848 Midhun

M Pillai- 7560833954

Staff Coordinator:
